

AltCar 2016 - Conference Schedule - September 16, 2016

as of 9/13/2016

Time	Topic	Name	Role	Company	Title
8:30am	Networking Breakfast				
9:10am	Master of Ceremonies	Terry O'Day	Moderator	EVgo / Santa Monica City Council	Vice President / Councilmember
9:10am	Future of Mobility The role of the car is changing. Cars are now computer controlled and beginning to communicate with each other and with the infrastructure around them. Soon they won't need drivers to operate them. These changes will affect far more than the car as we know it	Hilary Norton	Moderator	FAST	CEO
		Michael Brylawski	Panelist	Evercar	CEO
		Delilah Lanoix	Panelist	ButterFli	Co-Founder
		Jon LeSage	Panelist	Green Auto Market	Editor & Publisher
		Francie Stefan	Panelist	City of Santa Monica	Mobility Planning Manager
10:30am	The New Alternative Fuels California is leading the way toward zero emissions fuels. Electric is filling this role for some applications and there is new life in the hydrogen future, but renewable diesel and renewable natural gas are now available and may achieve zero emissions.	Dan Neil	Moderator	The Wall Street Journal	Auto Columnist
		Rhett deMesa	Panelist	CA Energy Commission	Advisor to Commissioner Janea A. Scott
		Steve Ellis	Panelist	American Honda	Manager, Alternative Fuel Vehicles
		Taylor Jones	Panelist	Office of Governor	Advisor

		Rick Cole	Introductions	City of Santa Monica	City Manager
12:45pm	AltCar Awards	Richard Bloom	Presenter	Assemblymember	CA State Assembly, 50th District
		Jake Levine	Accepting	State of California	Senior Counsel for Senator Pavley
		Rick Sikes	Presenter	carbonBLU	COO
		Supervisor Mike Antonovich	Awardee	Los Angeles County Board of	Supervisor
12:55pm	NAFA Awards				
1:10pm	EV Charging Station Implementation Workplace charging has been identified as one of the prime locations for charging station implementation. Currently only locations with sustainability as part of their mission, and marketing image have embarked on station implementation. Other employers often wait to hear from employees before embarking on investigation. What can regional bodies and utilities do to locate and market to potential sites. Planning studies have moved from readiness studies identifying policy barriers to implementation strategies looking at how to locate promising sites. How can incentive programs bridge the gap between single family	Marco Anderson	Moderator	Southern CA Assoc of Govern	Senior Regional Planner
		Mike DiNucci	Panelist	ChargePoint	Senior VP Sales
		Rajit Gahd	Panelist	UCLA / Smart Grid Energy	Professor / Director
		Laura Renger	Panelist	SoCal Edison	Principal Manager of Air & Climate
